

Summary of Services at scientificmanuscript.com

Welcome to <http://scientificmanuscript.com> scientific editing and writing services, where your work will get the personal attention that it deserves. Larger organizations do not allow you to directly communicate with your editor: you have to go through intermediate administrative staff. Not so with us. Please visit <http://scientificmanuscript.com> for details of each type of service provided. Here we give only a summary of the rates.

Currently we offer a 30% discount for your first order.

Note that the rates for manuscripts in LaTeX format are 15% higher than those listed in the table below, which refers to the default option of MS Word format. Prices are in USD. Please contact:

support@scientificmanuscript.com

with details of your project and we will proceed from there. If you have a manuscript that is in a state that requires something in between proofreading and a full, deep edit, please request a custom quote. We look forward to working with you.
